

# Attention High School Students

## ONE MONTH SUMMER ECO-ENTREPRENEUR INTERNSHIP

**Food ED works with Monrovia Schools & the City of Monrovia to reimagine Garden and Food Science education.**

**This summer we are looking for a core group of high schoolers to explore environmental leadership and entrepreneur projects with us.**

**Eco-Interns will:**

- Grow in understanding about our local ecosystem.
- Learn how to build and construct a sustainable garden space.
- Plan and facilitate a community family night focused on gardening and ecosystem health.
- Gain entrepreneur marketing and pitching skills.
- Visit and hear from local food and agriculture leaders.\*

(\*You must provide your own transportation for field trips if taken.)

### **Wanted:**

15-19 year olds who are self-motivated, eager to learn and get hands a little dirty.

All experience levels welcome. Just graduated seniors welcome to apply as well.

### **To Apply:**

Send a professional cover letter to [krisritzau@explorefooded.org](mailto:krisritzau@explorefooded.org). Letter should include an intro to who you are and why you desire to apply.

**Due May 25th**

**Internship Dates: June 13-July 12, 2022**

**Food Exploration  
& Discovery**
